Over 1,000 Participants Join the Third Edition of Aamal Ride
Varied routes and family activities promote health, wellbeing and sustainability

Doha, Qatar, 15 November 2026: Aamal Company Q.P.S.C. ("Aamal"), one of the region's leading diversified companies, organised the third edition of "Aamal Ride" on Friday, 13 November at Doha Port, attracting over 1,000 participants. The event was held in coordination with the Ministry of Sports and Youth and Qatar Cyclists.

Part of Aamal's corporate social responsibility initiatives, the ride aims to encourage members of the community to adopt healthy, active lifestyles and raise awareness of health, wellbeing and sustainability. It also highlights cycling as both a form of exercise that improves physical fitness and an environmentally friendly means of transport. Aamal Ride was also included in the announced programme of activities for Qatar Sustainability Week, supporting Qatar's wider sustainability initiatives by encouraging active lifestyles and promoting cycling as an environmentally friendly means of transport.

The event featured routes of varying distances, reaching up to 40 KM from Doha Port to The Pearl Island, alongside a dedicated five KM children's route, encouraging participation across different ages and fitness levels. Children's activities and a range of other sports activities also offered participants and their families an enjoyable combination of sport and recreation.

This edition saw strong participation from employees across the Aamal Group, reflecting their engagement with the Company's community initiatives and their interest in sport and health. Several prominent figures from the cycling community also took part, including Abdullah Hamadi, Abdullah AlSiddiqi, Hamza Shukfa, Dr Jamal AlQatami, Khalifa Al Khulaifi and Nasser Al Khulaifi, alongside many other cycling enthusiasts.

Mr Rashid bin Ali Al Mansoori, Chief Executive Officer of Aamal Company Q.P.S.C., commented:

"We are delighted that the third edition of Aamal Ride brought together over 1,000 participants around a shared message of health, physical activity and community connection. We offered a variety of routes and activities to enable children, families and experienced cyclists to take part and enjoy the event. We believe that sport brings people together, and that encouraging healthy habits starts with creating opportunities to participate.

He added: "The strong participation of employees across the Aamal Group gives this initiative particular significance, reflecting the spirit of collaboration within the Group and its connection to the wider community. We thank the Ministry of Sports and Youth, Qatar Cyclists, Ministry of Interior, Traffic Department and all supporting institutions, organising teams and participants for contributing to the success of this edition. We look forward to continuing to develop Aamal Ride and strengthening its role in promoting physical activity and sustainable mobility."

The third edition of Aamal Ride reflects Aamal's commitment to developing its community initiatives and working with relevant organisations to encourage healthier, more sustainable lifestyles, while strengthening the role of sport in bringing people together.
